

ASSIGNMENT NO 1

CLASS : 7

SUBJECT: ENGLISH

MRS GAGANDEEP KAUR

LESSON 1 (The chocolate room)

Answer the following questions:

1. Why did Willy Wonka ask the visitors to be calm?

Ans- Willy Wonka asked the visitors to be calm because he knew that the sight of the wonders in the chocolate room would excite them as they had never seen such a sight before.

2. What was the grass made of ? Did the visitors eat some of it?

Ans- The grass was made of a new kind of soft minty sugar that Willy Wonka had invented. The visitors tasted the grass.

3. Why did Veruca Salt scream with excitement while pointing to the other side of the river?

Ans Veruca Salt got excited seeing the little men on the other side of the river.

4. How was the chocolate made light and frothy?

Ans. The chocolate was made light and frothy by being churned, pounded and beaten in the waterfall.

5. Mention two unusual things about Oompa- Loompas.

Ans. The Oompa-Loompas were tiny men, about as high as a child's knee and they had funny long hair.

6. "Let us go in then! But be careful, my dear children?"

- a. Who is the speaker here?**
- b. Where is the speaker taking the children?**
- c. Who selected the children?**

Ans a. Willy Wonka is the speaker.

b. The speaker is taking the children to the Chocolate Room.

c. The lucky children had found golden tickets hidden in the chocolate bars and had been selected to visit the chocolate factory.

7. " Well, I could go around on all fours like a cow and eat the whole field of grass."

a. Who spoke these words and to whom?

b. What was so special about the grass?

c. Where were these lines spoken?

Ans a. Grandpa Joe said this to Charlie Bucket.

b. The grass was made of soft minty sugar.

c. These words were spoken in the chocolate room.
