Dear Diary,

Today is the most important day for me, for I, have stood first in all the sections of VI Standard. Yes. I have done it! I am so excited that I cannot express in words. I had always dreamt of this day and I wanted to feel the excitement of being on the top. Everyone is happy. Mom, Dad, my teachers and friends are congratulating me. I feel on the Seventh Heaven. My heartfelt thanks to my teachers who guided me and made me believe in my own self. Papa has promised to present me a brand new Hero Rocker bicycle tomorrow. I am dying for that moment though, the race is not over. I shall have to work hard in future also, to maintain this position in VII, VIII, IX, X and so on. I know, I can do it.

Dear Diary

What a wonderful day it was! Yesterday, we went for a picnic to Pratapgrah farms, Najafgarh. My class teacher along with other teachers took us there in school bus. We enjoyed our bus ride by singing songs. At the farms, we had lot of fun. Various activities like rope climbing, bungee jumping, camel – cart riding etc. enthralled all of us. Delicious breakfast and lunch was served to us. We played many games there. After the exams, it was so much fun to de stress ourselves in this way. Teachers also enjoyed with us. On our way back, we again sang in the bus. It was day well spent in the company of friends and teachers.

Dear Diary see you tomorrow, good night!
