

Worksheet -3

Subject: - General Knowledge

Class: - VII

Teacher:-Mrs. Suudha

Name: \_\_\_\_\_ Class &amp; Sec: \_\_\_\_\_ Roll No. \_\_\_\_\_ Date: 20.04.2020

**Lesson 2: How Animals Adapt****Can you identify these animals?**

1. This member of the dog family can change its colour. Its fur is white or grey-blue during the winter and grey-brown or grey during the summer, helping it camouflage. Its long, bushy tail, also called a sweep, helps it to maintain its balance and keeps its feet and nose warm when it curls up to sleep.

Ans: \_\_\_\_\_

2. Found in the rivers of eastern, central, and parts of southern Africa, this animal is regarded as one of the most ferocious animals in the continent. It secretes an oily substance from its skin, popularly known as blood sweat, which acts as a natural sunscreen and protects it from sunburn. This secretion, however, is neither blood nor sweat. It acts as a moisturizer and protects against germs.

Ans:

3. These frogs range from less than one inch to around two and vary in their colourings on predators that their patterns also help them camouflage.

range from less than one inch to a half inches in body length. They all colours and patterns. The beautiful their bodies are warnings to they are poisonous. In certain cases,

Ans: \_\_\_\_\_

4. This lizard has a skin flap which looks like a frill encircling its neck, which it can raise suddenly when threatened to surprise its enemy. This can make its head look several times its normal size.

Ans: \_\_\_\_\_

**FACTS**

It is the largest lizard in the world. It belongs to the tropical region and grows up to more than 20 feet in length. Their hinged jaws can separate, which allows them to swallow larger prey, almost four to five times larger than their heads.

**Lesson-3 Tradition Tour**

Read the clues on cultural traditions from different parts of the world and answer the following questions. You take help from the help bench.

1. This country has many myths and legends pertaining to the actions of the gods. One of the most famous families of gods they worshipped were the children of Nut and Geb—Osiris, Isis, Seth, and Nephthys. Which country are we talking about?

Ans: \_\_\_\_\_

2. Ayurveda, the earliest school of medicine known to mankind, has been an integral part of this country's tradition for ages. Mark Twain described the rich culture of this nation, when he called it, 'The cradle of the human race, the birthplace of human speech, the mother of history, the grandmother of legend, and the great grandmother of tradition.' Which country are we

referring to?

Ans: \_\_\_\_\_

3. This 16-day festival held annually in Munich, Germany, during the months of September and October is also one of the world's largest fairs. Name the festival.

Ans: \_\_\_\_\_
