### **LESSON 8 ( A TIME TO CARE )**

**Answer the following questions:**

**Ques1- Name the three friends who helped each other during the earthquake.**

**Ans- Tarun, Nadir and John helped each other during the earthquake.**

**Ques 2- What happened to the bridge near Tarun's house?**

**Ans- The bridge near Tarun's house broke and crashed into the gushing river below.**

**Ques 3- Why was Nadir's father flown to a nearby town?**

**Ans- Nadir's father was a heart patient. After being rescued, he felt a severe chest pain next morning. Therefore, he was flown into a nearby town for medical help.**

**Ques 4- Who helped and took care of the people in the relief camps and in the affected areas?**

**Ans- Government officials, army men and the affected families themselves helped and took care of people in the relief camps and the affected areas. NGOs also joined in the rescue work.**

**Ques 5- What was the role of the three friends in carrying out relief work?**

**Ans- After saving Nadir and his family, the three friends and their families got down to rescue many others who were trapped in the rubble or injured. Later, they helped the army men and government officials at the relief camp.**

**Ques 6- "We are all alive and safe. It is truly a miracle."**

- a. Who said these words?**
- b. What was the speaker talking about?**
- c. What is the synonym of "miracle"?**

**Ans- a. Nadir said these words.**

**b. The speaker was talking about the disaster struck at their place and he was happy because he and his friends were all alive.**

**c. marvel**
